

VISUAL SCHEDULE SYSTEM

First-Then Board

Place a picture in each slot to show what comes first, and what comes next

This board belongs to: _____

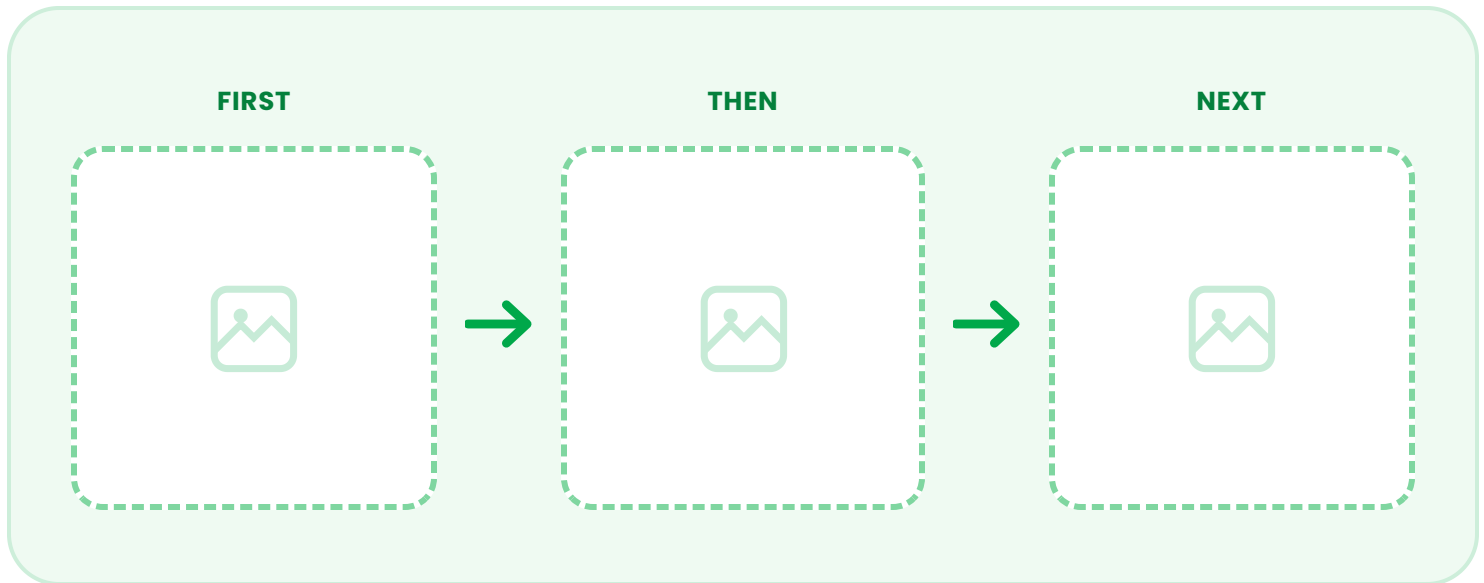

How to use it: Cut out a card from the FIRST and THEN sheets (or use your own photo) and place them in the matching slots. Cards are sized to fit these slots exactly.

VISUAL SCHEDULE SYSTEM

First–Then–Next Board

For sequences with three steps — same slot size as the First–Then board

This board belongs to: _____

How to use it: Use this version when a routine needs a middle step, like "First homework, Then a snack, Next playtime." Cards from either sheet fit all slots.

CUT-OUT CARDS

"First" Task Cards

Cut along the dashed lines — each card is sized to fit the board slots exactly
